OUR MISSION

It is the mission of Share Homes Family Services, through counseling services, parenting classes, and community organizations, to enhance the lives of families and couples by providing therapeutic support and best practice principles for parenting.

WHO WE ARE

Our professional therapy providers include Mary Molini, MA, LMFT, license number 38326, and Malcolm Berean, MA, LMFT, license number 38325. The Share Homes Family Services therapists have over 16 years experience and provide clinical supervision for Share Homes Family Services interns, who are ASW interns through the Board of Behavioral Science.

WHAT WE DO

Share Homes provides counseling services to children, couples, and families. Share Homes is on the provider list for acceptance of Victim Witness clients. Share Homes also provides parenting classes and training for parents who are in reunification services through Child Protective Services. We are a team of professionals, including trained Social Workers and Licensed Marriage and Family Therapists, providing services to families and children at either of our two offices, in Elk Grove and Lodi.
